

Artist Interview: Mike Scott on The Jamcast - Session 3

Friday, 07 March 2008 12:29

In Session Three of our Artist Interview with master guitar man Mike Scott (Prince, Justin Timberlake), you'll hear about Mike's influences throughout the years in both the R&B world and the Fusion guitar world. Bands like Earth, Wind, and Fire and The Ohio Players and artists like George Benson, Allan Holdsworth, and Prince of course. Mike also gives some great advice to younger players and about how playing tastefully is so important.
