

In Part 1 of our Artist Interview on the Jamcast, GJD's Ken Volpe speaks with guitar master John 5. John talks in great detail about his upcoming release *Requiem*, which will be available June 3rd. He tells Ken how much better it is for an artist to control his own CD sales these days, compared to the old days when the record companies had all the control. John also talks about how he cut tracks in the studio for

Requiem

and about his old school writing style.
