

In Part 1 of our Artist Interview on *The Jamcast*, GJD's Ken Volpe speaks with blues guitar master Walter Trout. Walter talks about the rigors of the road and how he has been doing 200 gigs a year most of his career. He also reveals how back in the early days he switched from Gibson to Fender guitars. After that Ken asks to Walter about his latest Cd, *The Outsider*, which is due for a June 24th USA release date. Walter speaks in great detail about the lyrical content on the Cd and about his honest views on faith as a Christian man.
