

In Session 1 of our *Artist Interview on The Jamcast*, GJD's Ken Volpe sits down with guitar legend Steve Lukather. They discuss his early days as a 19-year old session player and how that led to the formation of Toto. Steve also talks about the advantage of being a schooled musician that learned to read music at a young age. Ken asks Steve about his life long friend guitarist Mike Landau and about the possibility of them maybe doing a project in the future. At the end Luke talks about the struggles of being on the road with Toto and how he is now getting ready to go on the road with his new band to promote his new solo Cd, *Ever Changing Times*
