

Artist Interview: Leslie West on The Jamcast - Session 2

Monday, 05 November 2007 16:41

In Session Two of our Jamcast interview with Leslie West, Ken and Leslie discuss his live rig from his last tour. They move into the new breed of guitar players who are coming up on the scene and are turning heads. They also discuss his creative surge these days, and that's he's put out five albums in the last five years. Leslie gives the story behind his latest album *Masters of War* and how it came to life while he was on tour in Belgium. They also talk about the collaboration with Warren Haynes on the new album.
