

MELVILLE, NY, May 2, 2008 -- From May 1 through July 31, 2008, VOX Amplification, Ltd. is offering U.S. customers a \$250 rebate on a new VOX 50-Watt or 100-Watt Classic Plus amp head (AC50CPH or AC100CPH) purchased from an authorized VOX dealer in the U.S.A. Details and downloadable rebate coupon can be found [here](#).

The all-tube Classic Plus amplifiers marry classic VOX clean and crunch tones with a versatile, high-gain channel that goes beyond anything in VOX's 51 year history. Each amp offers both classic and modern sounds via two footswitchable channels, as well as tone shaping features with front panel control, independent EQ on each channel and spring reverb. For additional product details, please click [here](#).
