

In Part 1 of our Artist Interview, GJD's Clif Taylor raps with guitar great [Alvin Youngblood Hart](#). They discuss his recent tour schedule and how the life of a musician has been changed by Youtube and the Web. Alvin also talks about working with different producers and how a good one allows an artist to be himself. Clif mentions how he hears many influences on Alvin's "Motivation Speaker" Cd and they discuss how that was a result of making a self produced project.
