

In Part 1 of *Behind the Scenes*, we sit down with Jason Lollar of LollarGuitars.com . Ken and Jason discuss his early experiences as a full-time gigging musician and his many guitar influences. He also tells Ken how he grew up in an environment that encouraged him to work with his hands. Jason explains how his custom pickup business came about. He actually started out as a guitar maker and that soon led to him making custom pickups.

Enjoy Session 1 with Jason Lollar!
