

In Session 1 of our *Artist Interview on The Jamcast*, GJD's Ken Volpe sits down with guitarist Johnny A. Johnny talks about how he started as a drummer and then moved to guitar and how being a drummer has helped him as an arranger. They also discuss Johnny's unique approach to chord inversions that he adapted by accident from piano charts. In addition, Johnny speaks about being a playing by ear player as compared to a book smart type player.
